

## New Mentor Database Debuts

MLA announces newly created mentor Web pages that are part of the career section of MLANET.

- Sign up online to serve as a mentor to your peers, as a provisional mentor, or as a mentor to students interested in learning about the profession.
- Search the database to find a mentor.
- Link to mentor tip sheets and guidelines.
- Access Web resources to help you in your mentoring role.

The success of the mentor database depends on the number of members who sign up. Go to [www.mlanet.org/mentor/](http://www.mlanet.org/mentor/) to explore the possibilities.
