

Mac Messages

JULY/AUGUST/SEPTEMBER 2008

NUMBER 123

MAC Mid-Atlantic Chapter of the
Medical Library Association

WWW.CBIL.VCU.EDU/MAC/

MESSAGE FROM THE CHAIR

At our Annual Meeting in Morgantown, we'll have several Chapter accomplishments and opportunities to report. Of interest to all is an exciting proposal: a request from the Pittsburgh Chapter of MLA to merge with MAC. Many of you will remember our joint meetings with Pittsburgh over the years. Pittsburgh Chapter members have discussed and examined various ways to strengthen their chapter and provide more opportunities for their members. As a chapter they have come to the realization that merging with another chapter is their best solution. They would now like to begin a dialogue with MAC to see if this would be agreeable to MAC members.

I am excited to explore this opportunity, which I think would ultimately benefit each Chapter. I hope you will join me during the Business Meeting, where we will provide information about this proposal, and begin the discussion on this important topic. The chance to hear from the MAC membership is a vital component of the meeting, and I look forward to hearing from you.

The Business Meeting is only one of the many events we have planned for the upcoming MAC meeting. The Annual Meeting is such a wonderful blend of social networking (the old fashioned kind – in person!) and professional development. It's hard to limit myself to only a handful of events,

MAC 2008 - UPDATE

Annual Meeting!
Morgantown, WV
October 19 - 22, 2008

Time is Winding Down! The Early Bird Deadline is Fast Approaching!

Online Registration

To register for the 2008 meeting in Morgantown, West Virginia, connect to the conference website at <http://www.cbil.vcu.edu/mac/events/2008/registration.html>

(Continued on page 3)

MESSAGE FROM THE CHAIR, CONT.

(Continued from page 1)

but let me highlight a few to help you get ready for the meeting:

Ready to network, socialize, visit, and laugh with your colleagues?

Make sure to attend the **Welcome Reception** where food and fun await! And you'll want to make sure to sign up for a **Round Table Luncheon** for lively discussions over interesting topics.

Ready to learn?

From **posters** to **panels** to **presenters**, our program is once again filled with opportunities to learn more about myriad topics, from obtaining balance in our lives to Infobuttons.

Ready to grow?

New this year, our **Speed Mentoring** session will allow you to meet with senior managers who can provide advice on career development topics.

Ready to relax?

Visit the **Waterfront Spa** and treat yourself to a manicure, facial or massage. Or, why not all three: you're worth it! And, don't forget to take a moment to walk the nearby **Rail Trail** to take in some of the beautiful fall scenery.

Want to learn more? Visit the meeting Website (<http://www.cbil.vcu.edu/mac/events/2008/index.html>) for information about all meeting events. Can't wait to see you there!

Andrea Horne
2007/2008 MAC Chair
horne@virginia.edu

Become a Member of the Academy of Health Information Professionals Today

Join over 1,100 academy members and discover what medical librarians are saying...

"Before AHIP, I was like a fish out of water - now I am swimming!"

—Vanina Chavarrí, AHIP, Library Director, Health Resources Center Medical Library, Alpena General Hospital, Alpena, Michigan

"The AHIP program allows me to continue my personal journey in service, and—learning in my personal and professional development."

—Peter Droese, AHIP, MassHealth Health Policy Library, Executive Office of Health & Human Services, Commonwealth of Massachusetts-Boston

"As a new medical librarian, having an AHIP mentor to guide me in all aspects of professional development has been invaluable."

—Danielle Carlock, AHIP, Polytechnic Campus Library, Arizona State University-Polytechnic-Mesa

Further information and an application can be accessed at www.mlanet.org/academy/ or contact Lisa C. Fried, MLA, at 312.419.9094 x28 or email mlapd2@mlahq.org.

MAC 2008 UPDATE, CONT.

(Continued from page 1)

If you register by the September 8th deadline, you will save \$50!

Other Registration Options

If you miss the deadline, you'll still be able to register online, but only until October 3rd. If you register at the meeting, you'll have to pay by cash or check. We won't be able to process credit cards at the Registration Desk.

Questions? Please contact:

Beverly Murphy (murph005@mc.duke.edu) or
Rick Peterson (peter073@mc.duke.edu)
MAC Registration Co-Chairs

The Greatest Challenge Librarians Face

Feeling challenged? Here's what a few people have to say about challenges:

"When someone tells me there is only one way to do things, it always lights a fire under my butt. My instant reaction is, "I'm going to prove you wrong!"
-- Picabo Street

"Dreams can often become challenging, but challenges are what we live for." -- Travis White

"The ultimate measure of a man [librarian] is not where he stands in moments of comfort and convenience, but where he stands in times of challenge and controversy." -- Martin Luther King, Jr.

"Challenges are what make life interesting; overcoming them is what makes life meaningful." -- Joshua J. Marine

"Often, the greatest challenge facing an organization is recognizing and acting on opportunity rather than solving a problem." -- Peter Ginter

Want to hear more? Don't miss the panel discus-

sion being held Wednesday morning, October 22, 9:15 - 10:45 am.

Toni Yancey, Outreach Coordinator for NN/LM

SE/A, will moderate a panel presentation and discussion on the challenges four librarians face at the libraries where they work.

Ed Dzierzak from Marshall University School of Medicine (WV) will explore the challenges of his small-ish (by comparison) library that has a dispersed population of users. **Jett McCann** says the library challenge at Georgetown University (DC) might surprise you. **Nancy Martino** at the Salisbury (NC) VA finds challenge and solution with partnerships and affiliations. Nancy Stine, representing the Northwest AHEC also in Salisbury (NC), is challenged by "time".

MLA Leadership Meeting with Library Students

Immediate Past President of MLA, **Mark Funk**, who will be presenting the MLA Update this year, has offered to meet with library students attending MAC 2008. MLA will sponsor the event, which will be held on Tuesday, October 21 at 4:45 - 5:45 pm. Details to follow!

What Should I Pack for the Meeting?

Here are some recommendations from the Program Committee Chairs!

Bring Your Age-Revealing Picture ID to the Welcome Reception - Since our reception is being held on a university campus, we need to comply with the request that no alcohol is served to minors.

(Continued on page 4)

MAC 2008 UPDATE, CONT.

(Continued from page 3)

Bring your laptop - Complimentary high-speed internet access is available in guest rooms.

Pack your walking shoes - Dress for this meeting is casual, so take advantage of the location and enjoy the sights along the Monongahela River's Rail Trail.

Book Your Spa Treatment NOW! - This boutique hotel boasts a full service spa. If you wait until your arrival to make an appointment, it may be too late! Call 304.581.2841 or go to their web site at <http://www.waterfrontspa.com/>

Check the MAC 2008 Annual Meeting **website** for further information and updates in the weeks ahead! <http://www.cbil.vcu.edu/mac/events/2008/index.html>

MAC 2008

Events

MAC Annual Meeting October 20–22, 2008

New Members Reception *

Time: Monday, October 20, 6:00-6:30 pm.

Location: WVU Health Sciences Library/Learning Center

A special welcome to all our new MAC members before the big event at 6:30 pm.

** Transportation to and from both Receptions will be provided. Shuttles will depart from the front entrance of the conference hotel starting at 5:30 pm.*

Welcome Reception *

Time: Monday, October 20, 6:30-8:00 pm.

Location: WVU Health Sciences Library/Learning Center

Join our hosts at the Learning Center of the Health Sciences Library on WVU's campus as they extend a warm welcome to MAC members, other MLA chapter members, meeting sponsors, exhibitors, guest speakers and presenters.

(Continued on page 5)

MAC 2008 EVENTS, CONT.

(Continued from page 4)

Awards Luncheon

Time: Tuesday, October 21, 11:45 am-1:15 pm.

Location: Terrace Lobby

Enjoy lunch and the presentation of this year's MAC One-Person Librarian Award, MAC Librarian of the Year Award, and the Margarite Abel Award. MAC officers and committee members completing their terms of office will also be recognized.

Speed Mentoring **

Time: Tuesday, October 21, 2:30 – 3:15 pm.

Location: TBA

Come to the Professional Development Committee's first speed mentoring program where registrants will have the opportunity to meet individually with one or more senior managers with hiring experience in health sciences libraries for ten-minute sessions. Topics for these sessions could include job-hunting advice or evaluation of your resume. The number of sessions per person will depend on the number of registrants and available mentors.

**** To register, contact Meredith Solomon, msolomon@hshsl.umaryland.edu, and specify if you want to be a mentor or a mentee.**

MLA Leadership Meeting with Library Students

Time: Tuesday, October 21, 4:45 – 5:45 pm.

Location: TBA

Immediate Past President of MLA, Mark Funk, who will be presenting the MLA Update this year, has offered to meet with library students attending MAC 2008. MLA will sponsor the event. Details to follow!

Hospital Librarian's Symposium ***

Time: Tuesday, October 21, 6:30-8:30 pm.

Location: TBA

Join the hospital librarians for a delicious dinner, buffet style, and informative presentations. Dinner includes soup, salad, pastas, a variety of vegetables, chicken and beef. Presentations will be made on the following topics:

- The NN/LM Emergency Preparedness & Response Plan: What it Means to Hospital Librarians in our Region
- Integrating a Librarian into a Multidisciplinary Rounding Team

(Continued on page 6)

**MAC 2008 EVENTS, CONT.**

(Continued from page 5)

- Demonstrating Value: Collecting and Reporting Evidence-Based Statistics in the Hospital Library

The North Carolina AHEC Digital Library: A Digital Library for North Carolina Hospitals, University Preceptors and Rural, Underserved Health Care Providers

***** Tickets must be purchased separately for this event. See [Registration](#) for cost and availability.**

Round Table Luncheon

Time: Wednesday, October 22, 12:30–2:00 pm.

Location: Ballroom

Join your colleagues over lunch to discuss trends and issues on a variety of topics of interest. Learn what others are doing and share your ideas and experience! Here are some of the topics we plan to offer for discussion:

- AHIP Certification
- Community Outreach Projects for Medical Libraries
- Copyright & Your Library
- Database Expert Searching
- EBM and Healthcare: Teaching & Searching
- Electronic Patient Health Records
- FPIN Program and Training: What's in it for Me?
- Fundraising for Your Library
- Health Literacy
- Hospital Libraries: Innovations in Programs
- Informatics: What is it and How Does it Apply to Me?
- Library Liaison Programs
- Local and Global Health Issues
- Web 2.0 Tools Used in Your Library
- Writing for Publication

REGION WIDE CALL FOR CITATIONS

The MLA/MAC Research Working Group is in the process of determining the research activities and needs of MAC members to see if it warrants a formal Research Committee within MAC.

As a first step we are collecting citations for a bibliography of MAC members' publications to be posted on the MAC website. We believe that an assessment of current research efforts going on in the chapter will aid all MAC members in determining where research is needed as well as help us discover what types of assistance we could offer as a group.

Please help us in this assessment by sending citations of your publications from peer reviewed sources, in APA formatted style. Also, if you have any suggestions for the Research Working Group, please feel free to share.

Send APA citation submissions of your peer-reviewed research articles, books or book chapters to: Anna Tatro atatro@hshsl.umaryland.edu

Anna Tatro
MAC Research Working Group
atatro@hshsl.umaryland.edu

MAC ARCHIVES

CALLING ALL PACK-RATS!

You know who you are! Those out-of-sight, out-of-mind boxes in your basement/attic/office might be concealing some buried treasure, at least as far as MAC is concerned, so I am hoping to find that there are a number of pack-rats (like me) out there who have saved MAC-related documents and memorabilia that will be valuable contributions to the Archives. In case you are not aware of the scope and contents of the MAC Archives, visit their website at <http://ead.lib.virginia.edu/vivaead/published/vcu-tm/vircuh00026.xml.frame>. The Archives are housed at Virginia Commonwealth University in Richmond, ably organized and maintained by Jodi Koste, Archivist, Tompkins-McCaw Library for the Health Sciences at VCU.

You can see from the Contents List that MAC's original Archivist, Diane McKenzie, did a wonderful job of gathering many types of documents,

and they have been processed and ordered, but there are still gaps that we would love to fill.

If you find anything that fills one of the existing gaps, or additional materials such as photographs or memorabilia that you can contribute to the MAC Archives, please let me know. I will be attending the Annual Meeting in Morgantown from October 20th through the 22nd, and will happily collect anything that you bring and transport it to Richmond. If you are not attending the meeting, I will send you my mailing address or arrange for pick-up of the materials. If you have questions, please contact me (syowell@virginia.edu) or Lynne Turman, our Assistant Archivist (lurman@vcu.edu).

Also, watch for a display from the Archives near the registration desk/welcome area at the Annual Meeting—treasures from a pack-rat's paradise!

Hope to see you in West Virginia!

Susan Yowell
syowell@virginia.edu

CHANGES TO MAC MESSAGES

After the October chapter meeting, you'll notice some significant changes to MAC Messages. The Communications Committee, with approval from the Board, decided to revamp the format of our chapter news. Now you won't have to wait for a quarterly newsletter - you'll get updates on the new MAC Messages blog. Much of the same information will be posted to the blog as was in the .pdf newsletter, like messages from the chair, news from around the states, and calls for conference and meeting posters and papers. With a blog, however, members can post other information like event announcements at their libraries, personnel changes, even video clips.

Why change to a blog now? There are a few reasons. First, the MLA social networking task force member survey reported that blogs were rated by 73% of respondents as "very to somewhat important" for chapters of MLA, with most of that percentage of folks using blogs in their professional lives. (See survey results at the MLA Task Force on Social Networking Software blog <http://sns.mlanet.org/>

blog/2007/09/24/what-mla-members-told-us-about-social-networking/). Second, six other MLA Chapters currently use blogs to communicate information to chapter members. MAC will now be joining those ranks. Lastly, blogs are much more interactive than newsletters. Chapter members can start a dialogue with each other by posting comments. It will be great to see what kind of information we can share with each other in this context.

Please be on the lookout for the blog to go live in the months following the October meeting in West Virginia.

NEWS FROM THE STATES

NEWS FROM NORTH
CAROLINA STATE
UNIVERSITYPERSONNEL
CHANGES

Emma Cryer has joined the Duke Medical Library as Electronic Resources and Serials Manager, effective August 1, 2008. Previously Emma was a librarian at Johns Hopkins University. She is excited to join the Mid-Atlantic medical library community.

North Carolina

Hattie Vines
State Reporter
vines001@mc.duke.edu

New Faces at UNC-CH HSL

Ginny Bunch has joined the Health Sciences Library as Assistant Director of Development and Communications, effective July 1, 2008. Ginny will help the library develop its fundraising programs, prepare print and online communications and publications, and develop and coordinate donor recognition activities and events.

The Health Sciences Library is also pleased to welcome **Lara Handler**, who joined the staff on August 1, 2008. Lara will serve as the Liaison to the School of Medicine while Linda Collins is on special assignment as the Cancer Information Specialist.

Sharing the Experience

Library leaders at Duke and UNC have participated in mentoring 2007-2008 AAHSL/NLM Leadership Fellows. To maximize the experience for Fellows, each Fellow has had the opportunity, during their week long visits with mentors, to

take a day to visit the other participating Library and mentor. In August, the HSL hosted **Mary Piorun**, a 2007-2008 AAHSL/NLM Leadership Fellow and the Associate Director for Technology Initiatives and Resource Management at Lamar Soutter Library at the University of Massachusetts Medical School. As a Leadership Fellow, Ms. Piorun was paired to work with mentor **Pat Thibodeau**, Associate Dean for Library Services & Archives at Duke University Medical Center. **Carol Jenkins**, UNC's HSL Library Director, has served as mentor to **Neville Prendergast**, Associate Director of Communications and Outreach at the Becker Medical Library at Washington University School of Medicine in St. Louis. During Mr. Prendergast's most recent weeklong visit to UNC's HSL in May, he also spent time at the Duke University Medical Center Library. The goal of these shared visits has been to broaden opportunities for knowledge exchange among the Fellows and the schools. The competitive Leadership Fellows Program, jointly funded by the Association of Academic Health Sciences Libraries (AAHSL) and the National Library of Medicine, selects five pairs of mentors and fellows who participate in an online learning community and visits to other academic health sciences libraries.

Woodburn Retires After 41 Years**Jessica Roseberry, Medical Center Archives**

Judy Woodburn, Assistant Director for Journal Services, has retired after 41 years, a period spanning more than half of the Medical Center Library's existence. After graduating from Duke and earning her Master's degree in Library Science at the University of North Carolina, Judy

(Continued on page 11)

NEWS FROM THE STATES, CONT.

(Continued from page 10)

began her professional career at Guilford College. She came to Duke in 1967 and held positions with varying titles over the years, but they always centered around her special interest, journals.

Judy's tenure covered a range of innovations - from the beginnings of computer automation of print journal management to today's electronic availability of journal titles, the oldest back to 1665.

"When I first arrived, we produced a daily list using key punched cards of those journals for which we had received the latest issue," she says. "Everyone wanted access to the most recent information, just as today - but now, users can have this access on their own desktops."

In 1975 the Library moved from the basement of the Davison Building to its present location in the Seeley G. Mudd Building. Judy helped with the plans for the current Library facility and coordinated the move of the collection from five different locations. "What a grand day it was to move to a spacious, sunlit place after all those years in a cramped basement!" she says.

Judy was long-time editor of the *North Carolina Union List of Biomedical Serials*, which was published in four print editions from 1969-1978 and subsequently on microfiche. When emphasis moved from print to electronic access, hard copies of the list were provided on-demand, which lasted through 1999. She wrote two multi-year NIH grants, one to fund the expansion of the *Union List*, and the other to develop a computer-maintained journal management system.

With the advent of the Internet, Judy's focus

turned to supplying journal information electronically and providing links directly to specific articles from databases such as PubMed and CINAHL. She has edited the E-Journal page on the Library's Website since its beginning in 1998. She proudly points out, "Our first list had just 116 titles, but it has grown quickly since then to nearly 5,000 today."

KUDOS

Anne Powers, Information and Education Services Librarian, has been recognized as a Distinguished Member in the Academy of Health Information Professionals (AHIP), the Medical Library Association's peer-reviewed professional development and career recognition program. AHIP recognizes the investment of time and effort required for exemplary professional performance and for contributions to the Association and the profession.

Patricia Vaughn
State Reporter
psv6n@virginia.edu

Two MAC members from the University of Virginia played important roles in assisting the National Network/Libraries of Medicine (NN/LM) to develop a national emergency preparedness and response plan for its membership this year. From October 2007 through June 2008, **Dan Wilson**, MAC Chapter Benchmarking Educator, and Associate Director for Collection Manage-

(Continued on page 12)

NEWS FROM THE STATES, CONT.

(Continued from page 11)

ment and Access Services at UVA's HSL, and **Susan Yowell**, MAC Archivist and Project Assistant at UVA's HSL, worked as subcontractors and funded by an award from NN/LM. The result was a completed plan, approved in January, followed by training sessions carried out at each of the eight regional offices of NN/LM. Another important outcome of the project is the online toolkit for emergency preparedness, found at <http://nnlm.gov/ep>. Dan and Susan will continue their work with the project over the coming year, providing further training via teleconferences and web conferences, promoting the plan and the resources available on a national level, and enhancing the content of the toolkit so that it provides optimum services to NN/LM members.

PERSONNEL CHANGES

Cathy Jordan, reference librarian at the Walter Reed Army Medical Center library, is leaving to become Chief Librarian at the VA Medical Center library in Portland, OR. Cathy has been at WRAMC for almost 6 years and worked at the National Navy Medical Center before that. Her last day at Walter Reed is September 12th.

Cynthia Kahn, MILS, MPH, APIP, was awarded a stipend from the Grace and Harold Sewell Memorial Fund. Founded by Dr. Winifred Sewell, the mission of The Grace and Harold Sewell Memorial Fund is to increase librarians' identification with medical, pharmaceutical, and health care

District of Columbia

professionals. To meet this goal, Cynthia will attend the American Public Health Association 136th Annual Meeting and Exposition in San Diego, CA October 25-29, 2008. Cynthia is a Reference and Instruction Librarian at Himmelfarb Health Sciences Library, George Washington University Medical Center.

Betsy Appleton, Serials Librarian at Himmelfarb Health Sciences Library, George Washington University Medical Center, was chosen as the 2008 North American Serials Interest Group Horizon Award winner. The Horizon Award is awarded annually to a new information professional who demonstrates leadership potential in working with serials. Betsy attended the NASIG annual conference in Phoenix, Arizona in June and will be serving on the NASIG Public Relations/Publications Committee for 2008-2009.

PERSONNEL CHANGES

Welcome Robert!

Robert Cagna is the new director of the WVU Health Sciences Center Library, Charleston

Division. Rob was previously head of access and document delivery services at the University of Pennsylvania Biomedical Library in Philadelphia, Pennsylvania, and before that he was a senior research information specialist at the AARP Research Center in Washington, DC. Robert is happy to be in his new position and is looking forward to meeting everyone at the MAC/MLA meeting in Morgantown.
